

## *A Perfect DJ Testimonials*

I know we didn't get a chance to talk too much that night, but Dennis and I were absolutely THRILLED with your services. You exceeded my expectations and made the night go perfectly. Like I said at the end of the night, if you ever need a reference please send them my way. I will be more than happy to tell them how splendid you were. **Amanda & Dennis Martin; Temecula, CA**

Hi Dennis: Just wanted to say thanks for your efforts Saturday night... I really appreciated working with you at our event, and thought you did a great job. I told my guys how well I thought everything went, and that you did justice to their work on CD. Good luck and God Bless. **Daniel J. Emert**

Hey Dennis, Well, it's back to work for Jose and I. My students' semester ends this upcoming week so no long honeymoon for us till summer. I would like to post a testimonial on your website because Jose, my family, and I were so pleased with your service. You helped make my wedding a day I will never forget and I truly thank you. Your rates were awesome for what you did and I would recommend you to anyone. Again, thank you for making the wedding reception so memorable. I play your CD in my car almost every day or every other day and just hearing a song reminds me of that moment at the wedding. The custom edit still brings tears to my eyes. God Bless, **Christine Tovar; Fontana, CA**

Dennis- Thank you for providing your DJ services at our company party. We were counting on you to assist in making our party the success that it was, and were happy to see you didn't let us down, we look forward to doing business with you in the future. **Dwayne Adams; Amtrak**

Dennis, Hi, just checking to see how you think the night went at the Halloween party? We are curious to know your take on the evening... being an outsider looking in. We already have people planning on next year's party, so we are setting the date- we hope to have you back! Looking forward to hearing from you, **Ann Connors; Temecula, CA**

Good day Dennis! We have pulled so many surprises for the wedding. Some of those (like the introduction songs) would not have been possible without your help. Everyone was surprised by what we came up with for the introductions and the timing of the music you played. (I can't wait to see the video that's still in production) We got our friends really worried about our intro song ("Closer" by Nine Inch Nails). They thought it was simply a joke but you pulled it off thanks to your awesome remix. Everyone was shocked and pleasantly surprised with our first dance- and half of our friends think that I lost the title of being a rocker. Fun times! Again, thank you so much for your services. Thank you, **Ronald & Stephanie Valiente**

Dennis: Kerry and I are getting ready to head off to Jamaica for our honeymoon. But before we go, we wanted to thank you again for doing such a great job at our wedding yesterday. The music during the ceremony, and the sound, was absolutely perfect. Also, you ran a great party afterwards, and it seemed like all our guests had a great time. We'll send you a few pictures of the wedding when we get back if you'd like. And we will surely highly recommend you when friends come to us for their DJ referrals in the future. Take care, **Ira & Kerry Pulverman; Lake Forest, CA**

You totally impressed my guests today! Some flew in from other countries and most are from all over the United States. The resounding comment is that they had never been to a wedding before where the dance floor was never empty. They also said that your introductions made them think they were at a Hollywood awards ceremony. You blew them away! They thought your music selections for the announcements, intros, toasts, bouquet and garter perfectly matched the activity and the persons involved. I can't thank you enough! **Vanessa Scarbo; Trabuco Canyon, CA**

Desiree: "The majority of my guests today said that you were by far the best DJ they have ever seen. Thank you so much for rolling with the punches since there were so many last-minute changes. If you ever need any references feel free to give customers my number because I would recommend you to anyone!"

David: "If you remember I saw you about a year and a half ago when I was the photographer at another wedding you performed at. When I saw you perform I was immediately impressed by your professionalism. You were able to maintain your composure and deliver an awesome performance during total chaos. Believe me, I see a lot of DJ's and you stand out above the rest. I had kept your business card ever since then and we eventually hired you. Today, you didn't let me down

and you delivered on a great performance. Thank You!" *Desiree & David Johnson; Glendora, CA*

Dennis, I just don't know how to thank you enough. If anyone ever says that choosing the right DJ is not important in a wedding give them my number. Your DJ services absolutely made the party for Sabrina's wedding today and Eva's (his daughters) last year as well. I just regret that I don't have any more daughters left to marry off so that I can hire you again!  
*Manny Martinez; Escondido, CA*

What can we say about A Perfect DJ except that the name speaks for itself? Dennis understood exactly what we wanted and needed for our wedding. He came to our rescue more than once and helped us through a very stressful time by becoming an event coordinator himself. Dennis even filled in at the last minute when our pianist was unable to perform. Within 5 days of our wedding, he was able to learn the songs we wanted organize them on guitar and turned them into a wonderful arrangement for our service. He was part of every aspect of our event from live acoustic music for the ceremony, to playing the best music at our reception. I believe we were the lucky ones to have the privilege of working with Dennis and have him from start to finish, create the perfect sound track to our perfect day. We look forward to working with Dennis and A Perfect DJ in the future and hope that everyone will have the same experience that we did. Thank you Dennis Barela and A Perfect DJ. *Mr. & Mrs. Jason & Danielle Murray; Anaheim, CA*

Dennis; All I can say is Thank you, Thank you, Thank you!!!!!!! You were absolutely wonderful. I had so many people tell me what a terrific DJ you are and that you played the best songs. The comments that were made all night and even into the weeks following where how professional and friendly (you were). You have such a great personality and really kept everything flowing soooo smoothly and improved when needed. After all the stressing out, I can't believe how beautiful everything came out!! Bob and I said the day after.... That we wish we could do it again! Oh! By the way.... I think you know we got them all (made everyone cry) with the message (special edit) to my father!! There wasn't a dry eye in the room. Even the toughest men said to me "Thanks a lot Kim, you made me cry" Thank you for being such a huge part of our special day. AND..... Great call on the change of dance floor location! Couldn't have been better. Please keep in touch and if you need any referrals let me know I would be happy to give you my highest recommendations. (and you know, I am very picky. I only like the best) Take care and thank you again for making our night soooo fun! *Kim & Bob Reaber; Westminster, CA*

"Your music was great. It's a shame we had to quit at 10:00 P.M. because I know we all would have been dancing until 3:00 A.M. if we'd had the chance. I'd recommend you to anyone! You should put THAT on your website!" *Sandra Serebreni; Encino, CA*

"You made this day extra special for Kenny & Lisa. Thank you for being a part of their wedding day." *Dan & Lisa James (Proud Parents); Brea, CA*

"Your sound system blows away the sound systems of most DJs we get in here!" **Ron Weber (Manager), Sharky's Officer's Club; MCCS Camp Pendleton, CA**

Dennis, Thank you again for your professional service, attire, and flexibility with the event. I had a blast and it appears the guests did too. If you and I keep living the good life, we should look like them in our senior years. A true compliment is that the children were very comfortable with you also. Looking forward to using your services again in the future. More than happy to be a referral in the future if needed. Best regards, Sheila **C.A., PHR; Regional Recruiter/Employee Relations Specialist, Blockbuster, Inc.**

They DJ'd our wedding. This was the best DJ service we have ever had. Dennis WAS the perfect DJ. Dennis works very hard for you and really takes the time to find out what music you would like to have. He covers all the bases and really works with you to make the day PERFECT!!! He has a great personality and makes sure that whatever you want is what you get. I would recommend him to anyone and already have. We will now be using him in the future for any event that requires a DJ. I highly recommend him. His rate is fabulous as well. It was our wedding day and one of the reasons it was so perfect was because of A PERFECT DJ!!! **Collene Belgin; Riverside, CA**

Hi Dennis, I called on your references and everyone had nothing but great things to say about you. The same message I kept hearing from people was how personalized you make the reception/party. One of the company's said that they used you for last year's Christmas Party and they said they are going to use you again this year. (Did you know that?) Another talked about how they were in a jam a week before their wedding and you bailed them out. Long story short, we would love to go with you. So what is the next step to booking? **Christina Walter; Riverside, CA**

*Dennis, you ARE the perfect DJ! We talked to a couple of DJs before we hired you and, quite honestly, you were more expensive than the others. But, me and Kevin just had a feeling about you. Now I can honestly say that you were worth every penny! (Dennis: "Watch out, I'll put that on my website!") Go ahead! We really mean it and would hire you again in an instant!* **Melissa Castle; Newport Beach, CA**

You were a bit more expensive than some of the other DJs we spoke to but now we know that you were worth every penny!  
**Maria Marquez; Romoland, CA**

"You definitely ARE the "Perfect DJ!" I hope you realize that you are doing my sister's wedding next year as well! **Eva De LaRosa; Escondido, CA**

*You did such a great job reciting our "Love Story" just before our Grand Introduction that we have framed a copy of it and have it hanging on a wall in our home! It really meant a lot to us!* **Christina & Tommy Ramirez; San Bernardino, CA**

Thanks again for doing a great job! ...(name withheld)... at ...(name withheld)... wasn't quite on the ball, and if it weren't for you being there as my sounding board, I would have lost it! Please feel free to use me as a reference. **Dave Loud; Culver City, CA**

"I was at the "Warren" wedding you did recently. And I must say, that at my wedding I thought my DJ did a great job, but your performance kicked his a@@! The way you worked the crowd and played great music all night long was great. Now I want to hire you for a holiday party!" **Michelle Brown; Temecula, CA**

Hey Dennis, Hope everything is going well with you and your family. Our videographer sent us the wedding video and we love it. Part of what made it so special was the music that matched so perfectly with all the different parts of the whole day. Thank you again for the outstanding job you did as our DJ. **Christine Tovar; Riverside, CA**
